

Step one is to login or set up an account by going to: www.egia.org/amana and click on "Amana Promotions". Create an account or login to begin submitting claims. Please note, if this is a brand new user account, allow 48 hours for the account to be verified and activated. If you need to process claims immediately, please call (888) 691-0387.

Once logged in, and account is active, select a program from the drop down and click "start new claim". Basic customer information, and product information is required, including Model and Serial numbers. Once you have submitted your claim, you can refer back to this website to check the status of your submission and upload additional documentation if necessary.

This screen will allow you to select the product or system you installed, providing a customized point of entry for each model and serial number.

Selecting a system, such as a split system AC and furnace, will allow you to enter each model and serial number, until the full system information has been provided.

Once you have entered the product information, simply select the installation date and click Add Product to continue through the process.

The next section will allow you to upload the required documentation for your claim. Simply select the document type (whether it is an invoice, product registration, or proof of funding) and select Browse in order to locate the file on your computer.

Once selected, you may provide any additional comments, if necessary, and click Upload Document. After your documents have been uploaded, click Close to return the application.

Upload Documents

Once each document is uploaded, select the close button to exit the window. The documents will be saved in the system.
